## **Beverly Hills Police Arrest Vehicle Burglar**

Beverly Hills, CA - On Tuesday, February 22, 2011, at approximately 1:00 am, Beverly Hills Officers observed a bicyclist riding in the alleyways of Olympic and Peck. The bicyclist was riding in and out of open carports without required lighting on his bicycle during darkness. The bicyclist was later stopped, and further investigation revealed that he was in possession of burglary tools, and other items which were possibly stolen. The bicyclist, identified as Joel Martinez-Carreno, 19, was arrested and booked at the Beverly Hills Police Department for Burglary, Receiving Stolen Property, and Possession of Burglary Tools.

"This wasn't only a great observation arrest, but the officer was diligent in trusting his suspicion," said Lieutenant Tony Lee. "The arrest saved many potential victims from monetary loss and great inconvenience."
